Re: Testimonial Letter

Dear Jim:

Per your request, we are pleased to offer our recommendation of Calvac Paving based on the work you have performed for us and with us over the past five years. Calvac Paving has provided convenient and accommodating scheduling, accurate and timely billing, and high-quality execution of work with a strong focus on health and safety awareness. It's clear that your industry experience enhances the overall quality of our projects. Please feel free to post a copy of this letter as a reference on your company's website.

Sincerely,
